

Darwell 40km Time Trial

This is the BIG ONE...site of the World Masters Time Trial Challenge. A rolling hill course – nothing big but, as you can see by the profile, with very few dead flat sections. A little exposed to the wind between the 10 and 30 kilometre markers as it rounds a large lake. Parking is in the Darwell School grounds on the north side of the 4-way stop in greater downtown Darwell.
